

The Ultimate Educational Conference to Share Collection Knowledge

Hello Mr. /Mrs. Manager,

Re: CU Recovery Collection Academy 2021

I'm writing to ask for approval to attend the ultimate educational conference for credit union collections, CU Recovery's Collection Academy, October 5 to 7, 2021 in Minneapolis, MN. The Academy is two and a half days of sessions geared specifically towards reducing delinquency, collection best practices, shared collection knowledge, and just making our collection department and credit union a better place to work. All in an environment where I can learn about current trends, technologies and methodologies from experts and credit union peers around the country. It's the one conference each year that focuses exclusively on the needs of credit unions and credit union collection efforts. At a total cost of about \$XXX, it's the most cost-effective way to ensure that we're keeping up in the ever-changing and world of collections.

In particular, I'd like to focus on finding solutions or best practices that could benefit these projects:

- [add project or initiative]
• [add project or initiative]
• [add project or initiative]

In addition to networking with my fellow credit union peers, industry experts and influential speakers, I will also have the opportunity to meet and interact with CU Recovery and The Loan Service Center staff. The opportunity to meet face-to-face and build our relationship is invaluable, and something that I can leverage across the projects we are focusing on for the next year.

Here's an approximate breakdown of conference costs:

Table with 2 columns: Cost Item and Amount. Items include Airfare, Hotel, Dinner, Registration Fee, and Total.

**Registration fee includes all materials, breakfast & lunches, access to all sessions, CU Recovery / The Loan Service Center Headquarters Tour, and Meet & Greet Reception. More details can be found here: Academy website.

I am looking into additional ways to reduce costs such as taking advantage of the CU Recovery Collection Academy Scholarship program.

I can schedule a post conference meeting with you to provide you with a summary of all the major takeaways and tips I learned to maximize our current collection efforts. I can also share relevant information with key personnel within our collection department and credit union.

Thank you for considering this request. I look forward to your reply.

Regards,

*Pricing Structure for Reference
