

Delinquency Management First-Party Collection Solution

Collection Solutions That Improve Efficiency and Reduce Costs

The Loan Service Center is PSCU's early stage delinquency management solution for all loan types prior to charge-off, and customizable to your needs. Utilizing technology in your collection process provides reduced expenses, increased efficiencies, and results.

We combine automated, high-speed outbound calling, technology with tenured staff, adding extended hours and additional resources to your collections process, while maintaining the same "credit union friendly" approach. Your credit union can efficiently engage with more members earlier in the delinquency cycle.

- Minimize loan loss by managing early stage delinquency with extended collection hours to ensure right party contact.
- Trained agents work with member to find reasons and solutions for their failure to pay.
- Convenient pay-by-phone option improves collection results.
- Results of call, next contact and course of action can be viewed in real-time.
- Improve your bottom line with solutions designed for any loan type, at any stage of delinquency.

The Right Tools and Reports

We use our advanced technology to achieve higher levels of collections efficiency and insure compliance with the Fair Debt Collection Practices Act and TCPA.

Reports are produced on an aggregate level and can be customized to show your credit union's individual production.

We review these reports and other trending data during monthly Stay Connected meetings with your staff.

Extended Services

Reducing Your Administrative Tasks

With The Loan Service Center's Extended Services you can reduce your internal expenses and administrative tasks involved with Bankruptcy, Repossessions, Field Services, Notices or Call campaigns

Repossession Coordination

Every secured file represents a unique situation. Our services have been developed and built based on credit union needs.

We provide repossession, remarketing and collection solutions with nationwide coverage to coordinate all aspects of your secured account needs. Status reports are available in real time via our website.

Bankruptcy

The Loan Service Center's Bankruptcy services takes care of all administrative work involved with filing proof of claims and reaffirmations.

Field Services

This is another way we attempt to communicate with a member that can't be reached by phone. This service is used to gather information about the member, the collateral, or to communicate the urgency of returning a phone call. The field service agent does not provide collection related services.

Notices

Sending letters, such as 'right to cure', 'can't get the member on the phone', or 'cross collateralization' is a service performed by The Loan Service Center.

Call Campaigns

Leverage our trained staff to reach out to your members with special offers or important messages.

Simplified Pricing

Our pricing model is based on the number of accounts you assign to us for collection and the level of effort you want us to perform on your portfolio.

Easy Implementation

Implementation is quick and easy. Upon receipt of the enrollment form and agreement, the programming time needed to set up our system parameters is approximately 10-15 business days. Our support team helps you through the process step-by-step.

Manual Efforts

When technology has not cured an account, manual efforts are the next course of action. These accounts typically require more conversation to assist with solutions for resolution.
